Experience

Fullstack Web Developer
Dhaka, Bangladesh

INDEPENDENT UNIVERSITY, BANGLADESH
February 2024 - May 2024

- Developed a web application for my university as a part of a team. The web application provided a platform for managing resources, such as rooms and time slots, for various purposes, including bookings and reservations for make-up classes and events.
- Worked with React, Django, PostgreSQL, ChartJS, and Ag-grid.

Web Developer Intern (WordPress)
Dhaka, Bangladesh

HELPING ANTS
June 2023 - October 2023

- Developed websites for Swedish clients, focusing on migrating content to new designs and implementing custom features as needed.
- Implemented responsive design principles and optimized content for better load time and user experience.

Student on Duty
Dhaka, Bangladesh

INDEPENDENT UNIVERSITY, BANGLADESH
January 2020 - March 2020

- Supervise students on lab experiments.
